- New Mallepally, Hyderabad, TS-500001

ABOUT

Highly motivated and dedicated Computer Science Engineering (CSE) student specializing in Artificial Intelligence and Machine Learning (AIML), seeking employment and aiming to use my knowledge that I have acquired from my coursework as well as self study with my hard work to contribute to the growth and success of a dynamic organization. Committed to continuous learning and staying updated with the latest advancements in technology while collaborating with a team of professionals to drive impactful solutions.

SKILLS

- Proficient in **HTML, CSS, JavaScript, and jQuery** ★★★★★
- Experience with front-end frameworks such as **React.js**
- Familiarity with back-end technologies like **Node.js**
- Strong programming skills in
 - C#** ★★★★★
 - Python and**
 - Java**
- Knowledge of
 - Data Structure & Algorithm** ★★★★★
 - Database Management System**
- Understanding of **AIML** concepts and techniques
- Familiarity with AIML libraries and frameworks, such as **TensorFlow** and **scikit-learn** ★★★★★
- Experience with implementing machine learning algorithms and models
- Knowledge of natural language processing (**NLP**) techniques

PERSONAL SKILLS

- Creative spirit ★★★★★
- Designing ★★★★★
- Organizational ★★★★★
- Time management ★★★★★
- Leadership ★★★★★
- Team player ★★★★★
- Fast learner ★★★★★

PROJECTS

- Online Portfolio Website**
 - Created a personal portfolio website using HTML, CSS, and JavaScript.
 - Implemented responsive design to ensure optimal user experience across devices.
 - Showcased various projects, skills, and achievements related to web development.
 - Link: muzaffarlateef-portfolio.netlify.app

- **Stress Detection in I.T professional**

- Developed a cutting-edge mini project on "Stress Detection in IT Professionals" during the 5th semester, implementing the K-Nearest Neighbor machine learning algorithm for accurate analysis and prediction.
 - Implemented a state-of-the-art deep learning model for image classification to enhance the accuracy and reliability of stress detection, surpassing the capabilities of existing systems in the industry.
 - Showcased the superiority of our project by conducting rigorous comparative analysis, demonstrating its effectiveness in accurately identifying stress patterns and providing valuable insights for IT professionals.
 - Collaborated effectively within a group to successfully deliver the project, showcasing strong teamwork, problem-solving, and technical skills while delivering a solution that can potentially benefit the well-being of IT professionals.
-

- Certificate of Web Developer Fundamentals
 - Certificate of Internship in Python And Machine Learning
 - Certificate of Internship in Data Science And Machine Learning
 - Certificate of Python and Django Full Stack Web Developer Bootcamp
 - Certificate by Accenture on Completion Data Analytics and Visualization
-

- **Lords Institute of Engineering And Technology**

Osmania University, Hyderabad, Telangana
2020-2024

- **Narayana Junior College(Intermidate)**

Hyderabad, Telangana
2018-2020

- **Narayana High School**

Hyderabad, Telangana
2015-2018
